

Welcome to Osprey Class!

I am Miss Rutter, your child's teacher for the following year and I am joined in my class by Mrs Fiddler and Mrs Martin.. We will be working together to support your child throughout Year One and would love for you to join us in our learning journey!

This term our topic is 'Storyland!'. We will be looking at lots of different traditional stories, in particular 'Goldilocks and the Three Bears'. We will be planning a Teddy Bears Picnic, making sandwiches and choosing the best location near the school locality for the picnic. We will be holding a parents reading afternoon where you can come in and listen to your child's favourite traditional tale! If your child could bring in any photographs or drawings with their favourite teddy bear during the first week back that would be great!

PE Days

Your child will have PE on Wednesdays and Thursdays and will need their full kit on these days. It is useful to have their PE kit in all week just in case we decide to have an extra session of exercise! Please make sure all items of clothing are named.

Homework

I will be setting homework on a Friday afternoon which your child will bring home in their homework folder. The work will usually be a mathematical activity that relates to what we have been doing in class. If you could please make sure they return their completed homework in their folders by the following Thursday.

I will send the children's reading bags home each day, with their reading books and flashcards, it would be really great if you could read with your child 3 to 4 evenings a week and write a comment in the reading diary so I know that they have read - this will help hugely with their reading development!

Our Class Teddy

We have our own teddy bear in Osprey Class that we will be naming together during our first week back. Each weekend, a different child from our class will have the opportunity to take the teddy home. It would be fantastic if you could put any pictures/comments in our class book so your child can show the rest of the class exactly what they got up to with the class teddy during the following week! This will be something that will continue throughout the year so that each child gets a chance to take the teddy home.
