Healthy Heroes

Autumn 2 2018

Dear Parents,

For the second half of the Autumn Term we will be learning all about how to live a healthy lifestyle through training to become superheroes! Provided below is an outline of what the children will be learning in some key subjects. I hope you find it useful when supporting your child with their learning.

DT

In our Design & Technology lessons we will taste a variety of healthy foods then go on to design and make our own healthy pizzas!

Art

We will be studying the artwork of Vincent Van Gogh and creating some mixed media work in his style.

PE

Our focus will be badminton this half term. PE will continue to be Monday mornings and Thursday afternoons.

Please continue to ensure that your child has their PE kit in school at all times.

Science

During science we will be looking at what makes a balanced diet, the functions of the skeleton and how our muscles work.

English

Our English lessons this half term will focus on the language used in poetry. We will then write our own poems. We will also be learning how to write instructions in more detail. Finally, we will be writing letters around the subject of global warming.

Maths

In our Maths lessons we will be learning different strategies to divide and multiply by 3, 4 and 8. Below are some websites your child could access at home to practise the skills they will be learning throughout year 3.

Reading

Please try to read each night with your child, awards will be given at the end of each half term to the children who read the most at home.

Homework and Spellings

Thank you all for your fantastic homework efforts last half term!

Homework and spellings this half term will continue to take the same format and your child will bring a homework menu home with them during the first week back. Spellings will continue to be tested on a Thursday afternoon and new spellings handed out that day.
