

## Action Plan for P.E. and School Sport September 2018 to July 2019

PE and Sport Grant Allocation for 2018 - 2019 plus any carry forward = £17,690.

N.B. An additional £11,000 is expected within this financial year.

Please note - Funding runs in financial years and the action plan runs for an academic year.

**Objective 1** - To increase participation in sports outside of school hours particularly in the Spring Term 2019.

Desired Outcomes - 20% more children will have accessed sports clubs taught by external coaches or teaching staff than last academic year.

Rational - To use qualified and suitably trained coaches to improve the quality and range of extra-curricular school sport offered. To use National Governing Bodies of Sport, sports professionals and local coaches to create sustainable links with local community sports clubs. To encourage teaching staff to fulfil their wider professional duties i.e. to make a positive contribution to the wider life and ethos of the school.

### Additional Costs from the Sports Funding

£180 - License fee to use T.I. Sports facilities including the 3G pitch, gymnasium and tennis courts.

**Full year expected allocation plus carry forward = £28,690**

**Total commitment as of 04.09.18 = £10,900 + £18,000 = £28,900.**

**Total spend as of 04.09.18 = £3,311 leaving a balance of £25,379**

**£18,000 will be used to install a daily mile track although we are bidding for 50% of these costs to be covered from external sources.**

Mr Clegg continues to organise and run locality sports competitions at no cost to the school.

### DFE Guidance on - How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

Develop or add to the PE and sport activities that your school already offers

Make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

Hire qualified sports coaches to work with teachers

Provide existing staff with training or resources to help them teach PE and sport more effectively

Introduce new sports or activities and encourage more pupils to take up sport

Support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs

Run sport competitions

Increase pupils' participation in the [School Games](#)

Run sports activities with other schools

### Sustainability

How the spending is sustainable. -

The CPD sessions, that both teachers and TAs have attended, provide inspiration and planning resources for activities that will be implemented and developed in future years.

Children who have attended inter school events will have experienced new sports and will be inspired to continue playing, either through school or, by joining an out of school club.

Continue to provide a range of extracurricular sports so that a range of children are gaining new experiences, which encourage them to continue to be involved in sport in the future. Teachers have continued in this role. It has not been fully outsourced to external agencies which means the ethos remains embedded in our school.

Monitor which children are involved in sports/clubs/events and ensure that a range of children are encouraged and given the opportunities to take part and gain new experiences.

Offer a range of non-competitive team sports to engage all children especially those that struggle with winning and losing. E.g. Golf and running. (Junior Park Runs)

Partially funding the MUGA alongside a large grant of over £37,000 from the military has meant we have future proofed additional sporting facilities for the next 25 years.

In the future train TAs to run lunchtime clubs independently, eliminating the need to pay for this service.
